

Behavioral Health Seminar Series V

HIV incidence measurements Now and the way forward in Mainland China

presented by

Dr. Jinkou Zhou

PhD

Senior Advisor, Bill & Melinda Gates Foundation, Beijing, China

August 14th, 2009 (Friday)

1:00pm-2:00pm

1/F, Seminar Room 1, School of Public Health

Prince of Wales Hospital, Shatin

Dr. Zhao received his medical degree in Mainland China, and his PhD in Epidemiology at Wageningen University in the Netherlands. He is currently a Senior Advisor at Bill & Melinda Gates Foundation, Beijing Representative Office, responsible for the monitoring and evaluation of HIV program funded by Gates Foundation. Dr Zhao served as the Chief for Strategic Information at U.S. CDC's Global AIDS Program in China and assisted China to improve HIV surveillance system, including piloting new techniques of sampling hard-to-reach risk groups and establishing HIV incidence surveillance in selected areas."
